

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

Claims 1-3. (Canceled)

Claim 4. (Previously presented) A method comprising:
displaying a diagram representing at least a portion of a human body;
receiving a selection of a part of the displayed human body;
presenting first aid information as a function of the selection; and
at least one step selected from the group consisting of: summoning emergency medical personnel as a function of the selection, delivering an electrotherapy to a patient, and generating an alarm as a function of the selection.

Claims 5-6. (Canceled)

Claim 7. (Previously presented) The method of claim 4, in which the electrotherapy comprises a defibrillation therapy.

Claims 8-16 (Cancelled)

Claim 17. (Previously presented) A method comprising:
presenting a menu of patient conditions;
receiving a selection from the menu;
presenting first aid information as a function of the selection; and
at least one step selected from the group consisting of: summoning emergency medical personnel as a function of the selection, delivering a therapy to a patient as a function of the selection, and generating an alarm as a function of the selection.

Claims 18-19. (Cancelled)

Claim 20. (Previously presented) The method of claim 17, in which the electrotherapy comprises a defibrillation therapy.

Claims 21- 41.(Cancelled)

Claim 42. (Previously presented) A computer-readable medium comprising instructions for causing a programmable processor to:

- display a diagram representing at least a portion of a human body;
- receive a selection of a part of the displayed human body; and
- present first aid information as a function of the selection; and

at least one selected from the group consisting of: summon emergency medical personnel as a function of the selection, deliver a therapy to a patient as a function of the selection, and generate an alarm as a function of the selection.

Claims 43-82. (Cancelled)
